### **About Minera Alamos**

Minera Alamos is an advanced-stage exploration and development company with a growing portfolio of high-quality Mexican assets, including the La Fortuna open-pit gold project in Durango with positive PEA completed and the Santana open-pit heap-leach development project in Sonora with test mining and processing completed. The Company is awaiting the final approval of permit applications related to the commercial production of gold at both the Santana and Fortuna projects.

The Company’s strategy is to develop low capex assets while expanding the project resources and pursue complementary strategic acquisitions.
